

Stuarts Point PUBLIC SCHOOL

Term 2 – Week 10

30th June 2025

We were delighted to have a visit from the Executive Director Lisa Muir and Director Educational Leadership Dafydd Thomas on Tuesday 17th June. They were highly impressed with the insight into the Explicit Teaching and HPGE journey at our school. Mrs Muir commended the staff at our school on their dedication and commitment to their work and creating a wonderful atmosphere of belonging and inclusivity at our school.

On Thursday 19th June, Medlow made the trip out to our school for PSSA Small Schools Knockout. It was great to have a bright, sunny day for a game of soccer. Both teams showed great sportsmanship and represented their schools with pride. At the final whistle, Medlow were victorious and will move on to the next round. Our team were excited to have scored 2 goals. Thanks to our supportive staff, from refereeing, marking the fields, washing the kit, and taking extra classes, it certainly was a team effort by Stuarts Point Public School.

What an incredible day we had at our annual Athletics Carnival on Friday 20th June! The sun was shining, the cheers were loud, and the enthusiasm from our students was inspiring from start to finish.

We extend a heartfelt thank you to:

- All the parents and carers who came along to support and cheer from the sidelines.
- The wonderful volunteers who helped with serving yummy food, raking a long jump pit or monitoring the high jump bar.
- Our dedicated staff who worked hard to make the day run smoothly.
- And, of course, our amazing students!

Our debating team put their arguing skills into action again last Monday against Frank Partridge VC. They debated against the topic 'Schools should give every Year 6 Student a turn in leadership'. Despite their excellent rebuttals and arguments they were narrowly defeated in a closely fought affair. They are feeling extra confident for their remaining two debates.

To finish off our busy Term 2, SRC are holding a Crazy Hair and Mufti Day on Friday 4th July for a gold coin donation. Funds raised will be donated to local SES services who continually support our local communities in times of need. Please ensure students are still in sun safe clothes, fully covered in shoes, and no inappropriate logos.

We look forward to seeing everyone as you come into school for PLP meetings this week. Remember, this is a great opportunity to support the education of your child. Students and teachers will share their learning journey for Semester 1 with parents as well as setting new goals for Semester 2. If you are yet to return the PLP booking sheet, please do so as soon as possible.

During Term 3, all students will be involved in the mandatory subject Personal Development, Health and Physical Education (PDHPE). Part of our school's PDHPE program includes mandatory child protection education. Some of the content taught in this unit deals with sensitive issues. The school will teach this content in an age appropriate way. For more information about child protection education go to the Child protection and respectful relationships education section on the Department of Education's PDHPE website. If you would like more information, please contact the school.

Another eventful term is drawing to a close. I hope everyone has a safe and happy holiday break and we will see you all back for the beginning of Term 3 on Tuesday 22nd July.

FISH Philosophy Tuned Up Please take the time to have a conversation at home about our weekly focus.

Week 10 Choose your attitude

Thanks for your continued support. *Trudy Miles*

DO YOU HAVE A CHILD STARTING KINDERGARTEN IN 2026?

Here at Stuarts Point Public School we have already begun working with local families and preschools with 2026 enrolments. We have found this early approach helps to create a seamless, stress-free transition into primary school life. If you would like to find out more please call us on 02 6569 0627.

ORIENTATION

KINDER ORIENTATION FOR ENROLLED STUDENTS

- ✓ Wednesday 29th October 9.00am - 11.30
- ✓ Wednesday 5th November 9.00am - 11.30
- ✓ Wednesday 12th November 9.00am - 11.30
- ✓ Wednesday 19th November 9.00am - 11.30
- ✓ Wednesday 26th November 9.00am - 11.30

BIG SCHOOL PROGRAM

We also run our Big School Program every second Thursday as part of our transition program. Please contact the school if you would like further information.

Language and Culture Nest

Aboriginal people have a deep connection to the land and animals. Dancing like the animals helps tell stories and keep culture strong, no matter where the community is from. After learning this, the children began to explore how other animals might move an example we worked out the way to crawl like a goanna.

Slither like a Snake sss - the kids using one hand to interrupt the snake.

Jump like a roo - kids using their hands out front and jumping up and down.

Climb like a goanna - kids pretended to climb up a tree.

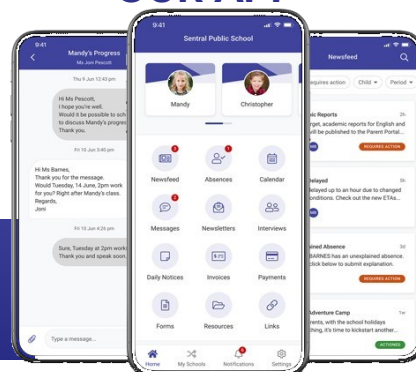

Run like a emu too - kid used the appropriate hand movement girls with their hands under their elbows and boys having a tail feather and ran on the spot.

Fly like an eagle - kids pretended to fly.

5/6 Robotics

Students in Year 5/6 have been developing their ability to work together as a team to complete challenges using the STEM Technology 4 Learning Robotics Kit. They are learning to code their robots to complete tasks. Students in 5/6 are looking forward to continuing to develop their skills during Term 3 and assisting the K/1 class in their robotics journey.
